

# **Vote Adi Hoag for NEA Executive Committee Trump Must Go By Any Means Necessary**

## **No Business as Usual Until Trump is Defeated! Defend Public Education and Immigrant Rights! No Cooperation with ICE in Our Schools! If You See ICE – Don't Walk on By!**

I am a fourth year special education teacher in Oakland and a civil rights organizer with the EON/BAMN Caucus. I am running for the NEA Executive Committee so that I can build a national movement of teachers, students, and communities to force Donald Trump out By Any Means Necessary.

EON BAMN is organizing to defend public education, fight racism in our schools, and protect the rights immigrant students, students with disabilities, and all those most affected by the attacks on public education. We are organizing to defend our diverse international schools and community against racist, bigoted attacks. We are organizing to defend union rights and gains. Our fight will be more critical this year than ever before.

The marches, walkouts, and strike action in Oakland and across the California are providing a model of action for how to confront and defeat Trump. We cannot rely on electing Democratic Party politicians in two or four years. The Democrats are capable of losing to Trump and the alt-right and neo-fascists again. The NEA needs a leadership that is prepared to organize mass, militant, direct action to fight – to shut-down entire cities in solidarity against Trump's attacks. I am a teacher who is not afraid to lead this fight.

**Equal Opportunity Now / By Any Means Necessary (EON/BAMN Caucus)  
Facebook: EON/BAMN Defend Public Education**

NEA is publishing and/or distributing candidate brochures as a service to its members in order to ensure a fully informed electorate. All candidates were provided with an equal opportunity to submit brochures to NEA for distribution. This brochure was prepared by candidate Adi Hoag and solely reflects the views and opinions of the candidate, and not those of NEA or its affiliates. Adi Hoag is solely responsible for the content.
