I am first a wife of 31 years and mother of two amazing children. I have 3 God-Daughters and am God-Grandmother to 4 beautiful grandchildren. I currently work in my local School district in Austin, Texas and have for 15 years. My mother, siblings, my children and I all attended this district in which I work. I am an Attendance Specialist at a Magnet Middle School. I have served on many district committees.

I have served my Association for the past 13 years in many capacities including, local Co-President of Education Austin, Classified Vice President, Treasurer and Campus Representative. Currently, at the state level I serve on my state Board of Directors, for Texas State Teachers Association. I have been on the state Board of Directors as Region President, a State Director and a NEA ESP -At Large Director. I was the first ESP to be elected as a State Director (" I guess you could say I broke the glass ceiling on that"). At the NEA level I have served as a State Director from Texas and currently an ESP At-Large Director. I am in my 3rd year on the NEA Program and Budget Committee and the ESP Careers Committee.

Throughout my Education career my goals and passion have always been to be a voice for children and members... especially those that feel they have no voice. We must stay true to our Mission and Vision of NEA. As we do this we will continue to move NEA in the right direction for success. With our current climate, we need those strong voices that will speak up no matter what may arise, to ensure all children no matter their zip code have a quality education. We can no longer sit on the sidelines and wait for our government to do right by students and staff. No, we must DEMAND it! " Like a tree planted by the waters we shall not be moved"...I shall not be moved! I am asking for your support and vote for NEA Executive Committee.
