

YOU MAY BE SOMEONE'S CURE!

1. Register online
2. DIY - Return Swab kit
3. Stay Committed

Use the link below to go ONLINE and register

<https://join.bethematch.org/2018NEA>

1. Answer brief medical history questions and submit contact information. The process should take around 10 minutes.
2. A swab kit will be sent to your address you indicated.
3. Swab the inside of your cheek and return the kit **asap** in the postage-paid envelope to complete the registration process.

Say **YES** when you get the call to Save a Life!

Thank you 😊
